Project review (Article 25)
Final project review report

Dear Dr. Gordijn,

I am writing in connection with the above-mentioned review procedure for your grant.

We would like to inform you that we have finished our analysis and will close the review now, as the consortium observations submitted by you on 25/06/2026 Ares(2026)6449666 confirms that the requested revisions were implemented and does not present any objections.

We acknowledge that the information needed to assess the project has been included in the technical section of the periodic report and has been taken into consideration in the Reporting and Payment procedure.

Yours faithfully,

Kristien Van Goey
Head of Unit
