

# WomenNetPhysics 2025

9 May 2025

Eindhoven University of Technology (TU/e)

**What?** WNP is a networking event aimed at the theme of the position of women in physics, and everyone is welcome to participate.

**Who?** For people of all genders who are interested in the position of women in physics, from all career stages and academics to industry. We especially encourage students to attend.

**During the day** we will hear inspiring talks and discussions from experienced women physicists about the walks of physics in their life and career. This will be accompanied by interesting science and industry talks and plentiful opportunities to discover new directions, discuss, and meet.
